The parties, by and through their respective counsel of record, hereby stipulate and agree that this case be removed from the current April 24, 2023 trial stack and be moved to a stack beginning after July 31, 2023. This is the first request to extend the trial and all associated deadlines. Lisa McClane, who had been functioning as the primary defense counsel on the case and would have tried it, has recently started new employment and will be completing the transition of her cases by March 31, 2023. Fisher & Phillips is in the process of determining a replacement lead trial counsel, who will need to get up to speed. Further, there is a Settlement Conference in this matter set for April 17, 2023 (ECF No. 59) and it makes sense for the parties to participate in this

1 conference before incurring further pretrial expenses.
